

News Release

TriCircle, Inc.'s 2017 Annual Meeting

For Release - Thursday, October 19, 2017

WALLINGFORD, CONN. 2017 – TriCircle, Inc. is a Connecticut based non-profit organization committed to changing the way we see all people affected by the disease of addiction. We will be hosting our 2017 Annual Meeting on Sunday, November 19, 2017.

“People struggling with substance use disorders and their families are coming out from behind the shame and isolation caused by the disease of addiction. We want to provide a place for both populations to go for continued support ” says Ana M. Gopoiian, Founder, President of TriCircle, Inc. The current opioid epidemic is ravaging our country, taking the lives of 144 people per day. It is a national health crisis, and we need to come together to solve it. The current approach to treatment is shifting, but access and length of stay in a program shouldn't be as difficult as it is. TriCircle, Inc. is dedicated to providing solutions to break the cycle of relapse and recidivism inherent by the current system. We are coming to the end of our first year of service in Connecticut and we have our sights on a location to complete Phase1 of our 3Phase Plan.

The goal of this event is to share our appreciation and all of accomplishments we've had over the last year. The TCI Board of Director members will help highlight the keyplayers and volunteers that have been supporting us to raise awareness and funding for TriCircle, Inc.

This event is open to the public, but the venue has limited space. The Chauncy Building is located at Gaylord Hospital 50 Gaylord Farms Road Wallingford, CT.
