We Provide the Tools to Build Strong Futures

Presents: ***Multiple Pathways of Family Recovery*** ***CME/CE/CEUs will be available***

This event is for behavioral health professionals, students, and those individuals with family members, friends, and/or partners struggling with the disease of addiction. Our goal is to reduce stigma by creating bridges for needed conversations and to provide helpful tools and information about substance use disorders.

Topics of discussion:

Family Recovery
Parent Support Groups Benefits
Family Constellations
Rebuilding Relationships
The Paraphernalia Project
Family Sculpting

STR-TA
Consortium
State Targeted Response
Technical Assistance

Funding for this initiative was made possible (in part) by grant no. 1H79TI080816-02 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
