We Provide the Tools to Build Strong Futures

Community Speaks Out

Presents:

Hope After Loss:

***The other side of the opioid epidemic
CEUs will be available***

This event is for behavioral health professionals, students, and those individuals with family members, friends, and/or partners that have lost someone from disease of addiction. Our goal is to reduce another layer of stigma and isolation by creating bridges to needed conversations and to provide helpful tools and information about bereavement, grief and loss

Topics of discussion:

Grief: It's not Linear!
Parents, Spouses, Grandparents
Children/Teens, Siblings, Families
Professionals and Loss
Parent Support Groups Benefits
Community and State Resources
