***This project, with the support of Connecticut Clearinghouse is intended to honor those that have died from the disease of addiction. Family, friends and loved ones are encouraged to create a square as a tribute to their loved one. TriCircle, Inc. will use the squares to create their own Remembrance Quilt(s) for display at events and trainings. This quilt will help to raise awareness about the disease of addiction, break the stigma and open conversations about the loved represented so their lives aren't gone in vain. Together WE are Stronger!
